REMINDER

We are still experiencing a staff shortage and part delivery delays. Therefore, please plan for the following:

- Drop off is in the morning. We open at 7:30am. We will call you once your vehicle is ready. Pick up times are between 5:00pm and 5:30pm.
- For vehicles that come in for diagnostics, depending on the level of testing needed, please keep in mind your vehicle may need to be at the shop for a minimum of 2 days.
- Any repairs approved on the day of service, most likely will need to be placed back in the schedule to complete repairs. Ask your Service Advisor for an estimated date of completion.
