

WE'RE OPEN!

Here's how we are protecting you, our team and our families while serving you through this challenging time.

1

WE ARE CONTACTLESS

You can use the drop box to drop off your vehicle. Utilize our Key Box for pick up. Mobile communication is available throughout work completion. Pay invoices via phone and utilize our e-sign signature.

2

DROP OFF ONLY, NO WAITERS AT THIS TIME

We are working on scheduling appointments to stagger people in the office. We are asking that no one waits on-site while services are performed. We can order a Lyft or Uber to take to your next destination.

3

EXTRA PRECAUTIONS

Our staff are wearing new gloves with each vehicle. We also implemented steering wheel covers. And we still continue to put seat covers and floor mats in your vehicle.

4

FOLLOWING DIRECTION

We are following recommendations from the relevant agencies, sanitizing our facility regularly and continuing to communication with our staff about the health and safety for everyone.

**Thank you for letting us serve you!
We value your trust and support more than ever.**

SUPPORT LOCAL!

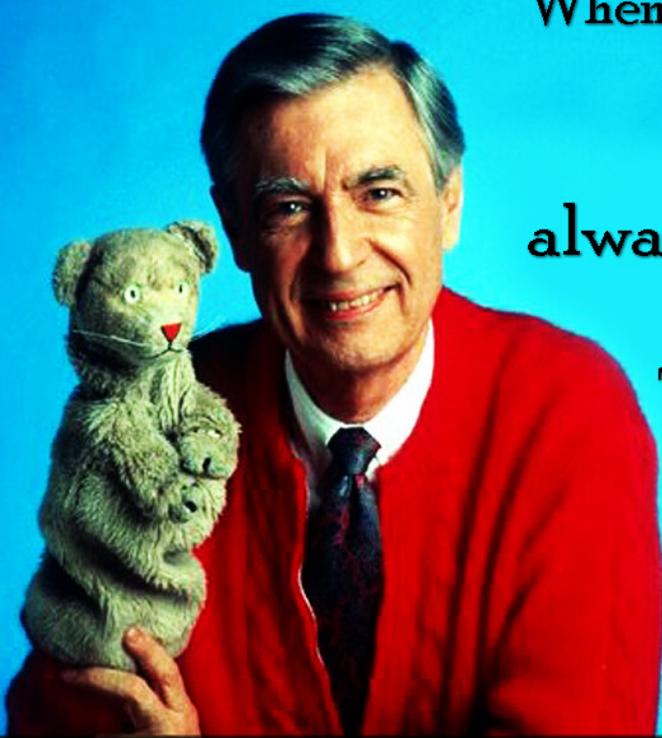

We are dedicated to supporting our local businesses, especially when they are getting hit the hardest with this pandemic.

From April 1st thru April 9th, every person who comes in to Arizona Auto for services will be entered into a drawing. We will pick 10 winners on April 10th. These winners will receive a \$25 gift card to a local restaurant.

When I was a boy and I would see scary things in the news, my mother would say to me, "Look for the helpers. You will always find people who are helping."

To this day, especially in times of "disaster," I remember my mother's words and I am always comforted by realizing that there are still so many helpers – so many caring people in this world.

~Fred Rogers

HOW CAN YOU HELP?

Here's how you can keep yourself and your family healthy during this challenging time.

1

WASH YOUR HANDS

CDC recommends washing your hands frequently with soap and water or an alcohol-based hand sanitizer for at least 20 seconds each time. Avoid touching your eyes, nose and mouth prior to washing your hands.

2

PRACTICE SOCIAL DISTANCING

Avoid close, unprotected contact with people. Do not meet in groups of 10 or more people. Even if you don't have symptoms, you may carry those germs to someone else. Stay home as much as you can.

3

COVER A COUGH OR SNEEZE

Avoid contact with people who are sick. Also cover your cough or sneeze with your sleeve or tissue. Dispose of tissue and wash your hands afterward.

4

PRACTICE HEALTHY PRACTICES

Stay healthy. Eat a balanced diet. Get rest. Reduce stress. Engage in outdoor activities to benefit from the open air and warmth of sunshine.

Taking care of ourselves and others is the best defense we have at this time. Stay Healthy!

UPCOMING HOURS

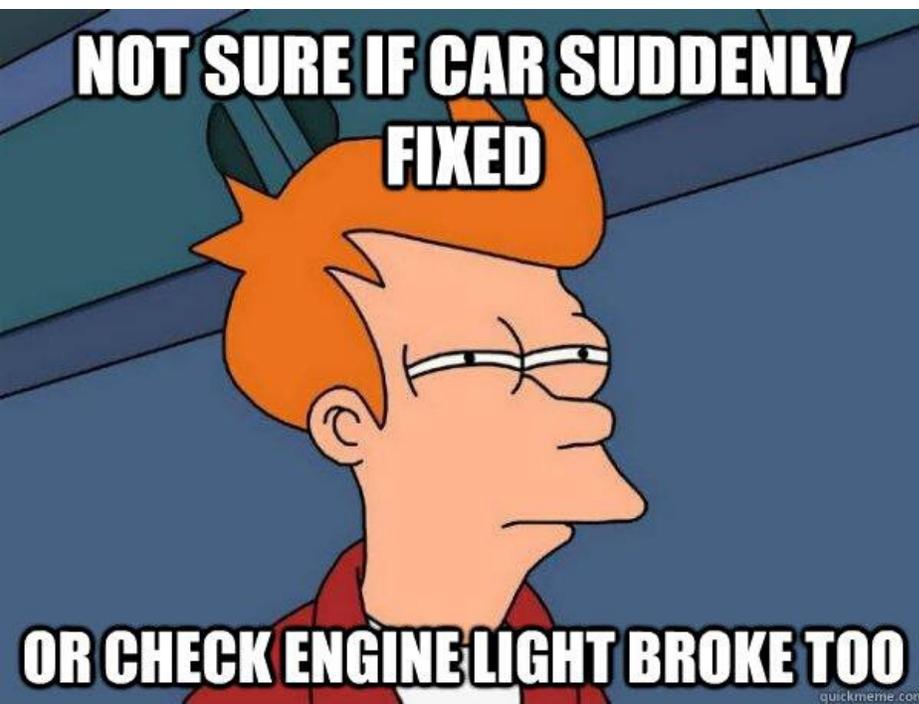

"HUSBAND TESTED, WIFE APPROVED, CUSTOMER LOVED"

We believe we are an essential business, keeping your transportation on the road safely is our #1 top priority.

**At this time, we will be exercising normal business hours.
Monday through Friday
7:30am to 6:00pm**
