Water?

A teenage boy tells his father, "Dad, there's trouble with the car, it has water in the carburetor." The father looks confused and says, "Water in the carburetor, that's ridiculous!" But the son insists. "I tell you, the car has water in the carburetor."

His father, starting to get a little nervous, says "You don't even know what a carburetor is.... but I will check it out. Where is the car?"

"In the pool," replies the son

Customer Loved

TREVOR H.

This place is great! They are very honest and like to see their customers happy. Highly recommended.

JAMES P.

Az Auto & Radiator repairs always seems to outdo them. I am another satisfied customer. I've had more than one in for repairs here and have not been disappointed. Friendly staff and professionalism are on point. I highly recommend this repair shop and the update text program is exceptional!

Champion® Urges Customers to Make Time for Routine Vehicle Maintenance during Fall Car Care Month

"As seasons change and driving conditions become more challenging due to the weather in many areas of the country, both DIYers and motorists less familiar with car repair should either inspect their vehicles themselves or engage their trusted mechanic to make sure that they're road-ready and safe to operate in fluctuating road conditions," said Joe Cirino, director, Business Development and Product Management, Champion Products, North America. "With a complete line of maintenance products, Champion provides solutions to many of these issues, and during Fall Car Care Month, now is a great time to 'Champion' your car for optimal performance and reliability."

Classic Pumpkin Pie

By Betty Crocker

Cuisine: Thanksgiving

Prep Time: 20 minutes

Cook Time: 1 Hour

INGREDIENTS

Pat-in-the-Pan Pastry

1 1/3 cups all-purpose flour

1/2 teaspoon salt

1/3 cup vegetable oil

2 tablespoons cold water

Filling

2 eggs

1/2 cup sugar

1 teaspoon ground cinnamon

1/2 teaspoon salt

1/2 teaspoon ground ginger

1/8 teaspoon ground cloves

1 can (15 oz) pumpkin (not pumpkin pie mix)

1 can (12 oz) evaporated milk

Sweetened Whipped Cream

3/4 cup whipping cream

2 tablespoons sugar

1. In medium bowl, mix flour and 1/2 teaspoon salt. Cut in shortening, using pastry blender (or pulling 2 table knives through ingredients in opposite directions), until particles are size of small peas. Sprinkle with cold water, 1 tablespoon at a time, tossing with fork until all flour is moistened and pastry almost leaves sides of bowl (1 to 2 teaspoons more water can be added if necessary).
2. Gather pastry into a ball. On lightly floured surface, shape dough into flattened round. Wrap pastry in plastic wrap; refrigerate about 45 minutes or until dough is firm and cold, yet pliable.
3. Heat oven to 425°F. On lightly floured surface, roll pastry with floured rolling pin into round 2 inches larger than upside-down 9 inch glass pie plate. Fold pastry into fourths; place in pie plate. Unfold and ease into plate, pressing firmly against bottom and side. Trim overhanging edge of pastry 1 inch from rim of pie plate. Fold and roll pastry under, even with plate; flute as desired.
4. In medium bowl, beat eggs with wire whisk. Beat in remaining filling ingredients. Place pastry-lined pie plate on oven rack to prevent spilling the filling. Pour filling into pie plate. Cover edge of crust with 2 to 3 inch strip of foil to prevent excessive browning.
5. Bake 15 minutes. Reduce oven temperature to 350 F. Bake about 45 minutes longer, removing foil during last 15 minutes of baking, until knife inserted in center comes out clean. Cool 30 minutes. Refrigerate about 4 hours or until chilled.
6. In chilled small bowl, beat topping ingredients with electric mixer on high speed until soft peaks form. Serve pie topping with whipped cream.

EXTRAORDINARY SKIES. UNCOMMON GROUND.

Running with Paws

OCTOBER 1-DECEMBER 31

Tuesday-Friday | 10:00 AM-5:00 PM
Saturday | NOON-5:00 PM

Runners and walkers are encouraged to come to the Nancy J. Brua Animal Care Center and choose from a list of high energy dogs who are picked by the staff for their need for extra exercise. You will be given a pedometer, and mileage is logged by the shelter staff at the end of the run/walk.

If you reach 20 miles on or before December 31, you will be awarded our Running with Paws 20-Mile Club T-shirt.

RunningPaws.com: "If a dog does not get adequate exercise (more than you might believe), this instinctive energy will build up and demand an outlet. So if your dog is chewing the couch, indulging in excessive barking, or other obnoxious behaviors it may very well be that it is under exercised and bored."

NANCY J. BRUA
ANIMAL CARE CENTER
