# THANK YOU!

“Arizona Auto and Radiator's work is excellent. I've had all my cars and my daughters' cars serviced there for 20 years and all our cars have stayed in perfect shape. In addition to the shop's excellent work, its customer service is the best I've ever had. Everyone is polite and knowledgeable, and I able to provide accurate estimates of the cost of any repair needed and of the time the work will take.” Marianne M.

“Reliable and customer oriented service. They are reliable. I especially like how they do follow ups during maintenance, and offer a road warranty for peace of mind. It's those little extras...” Donna J.

“I drive 2400 miles a month and trust my car maintenance to Arizona Auto. I love the fact that they warn me of any upcoming repairs/maintenance so that I can budget accordingly.” Rachel G.
